No. 5

THANKSGIVING

Dear Lord, accept our humble prayer
Of thanks for all Thy watchful care,
For yield of field and vine and tree
Our hearts give gratitude to Thee;
Now lies the frost upon the vine,
We see another year decline,
But through the pain and strife and woe
Thy blessings manifestly show.

'Dear Lord, for laughter and for song
Which have been ours; for righted wrongs
For steps of progress we have made,
For all the works of art and trade,
For science which has conquered pain
And given hope where hope seemed vain;
For all that helps mankind to live,
This day to Thee our thanks we give.

Dear Lord, despite its pain and strife

We thank Thee for our richer life;
This is a better world for man
Than when this closing year began;
We who have suffered still can find
Proof of Thy love and mercy kind;
In all our works Thy hand we see
And bow in gratitude to Thee.

GRADE NEWS

PRIMARY ROOM NEWS

We have started a checker and domino tournament in this room. The final games must be played by Friday, Nov. 22.

The first graders have nearly finished the Bobbs-Merrill Primer. We are very glad to find that we can read from other books now.

The Sophomore and special chapels given during the last week were greatly enjoyed by the grades.

Mrs. Bud Anderson was a visitor in our room Monday morning.

The pupils are quite proud of the pictures that were taken of our room last week. These pictures are sent to part of the homes and are to be returned at once or payment of 25¢ is to be made. There were not enough pictures sent to send one to each home. Additional pictures may be ordered upon receipt of 25¢ by the teacher.

Grade cards will be sent to the parents on next Wednesday. This week ends our second six weeks period.

4-5-6 GRADES

Donald Mossman and Merle Nicholas were winners in the health poster contest.

Gladys Easley has returned to school.

Helen Carlman was absent from school last week on account of illness.

Donald Mossman was winner of the horse shoe tournament.

7 & 8 Grades

The six weeks tests will be given next week.

Wilbur Baker has dropped from the seventh grade and gone to Nemaha County where he will stay with relations and go to school.

The seventh grade have finished the unit on "Industrial Development of the U. S." and the eighth grade are studying the unit on the "Cotton industry and Civil War."

Those trying for the declamation contest are working hard on their readings. These readings will be given in chapel next week.

OUR NEIGHBORS

On Friday Nov. 22, 8'o'clock a box and pie supper will be given by Enterprise School, located 3 miles West of Rosalia on 54. Everybody invited. Women bring either a box or a pie. A good program is promised you. Dorothy Buffum, teacher.

Biology

The Biology Class has been studying the different parts of the tree. The structure of the tree was studied and drawings were made to the different parts of the tree. There have been some very good drawings made so far in the class.

Constitution

The Constitution class set aside one day to Armistis Day, which is one of the days recognized all over the world. Several interesting reports were given in class in connection with this day. Other questions were given to the class such as, "What are the young people of the U. S. doing to help promote peace throughout the world?"

ADMINISTRATION

Basketball Transportation Information

With the return of a new basketball season, a problem of seasonal importance is with us again; namely, the transportation of basketball players to and from games. It is thought by publishing information concerning this matter that a better understanding will be promoted for all parties concerned.

As driving has become increasingly hazardous during the past few years, the administration has taken the following steps to insure the greatest possible care of those engaging in out-of-town contests. These precautions are:

1. An adult will be in charge of each car.
2. "Dates" by contestants will not be permitted either going to a game or coming home from a game.
3. Contestants will be assigned to definite cars for the complete trip.
4. Only in unusual cases will a contestant be permitted to return in a different car. Permission to do so must be obtained from both the coach and the superintendent.

The four listed statements which forms the basis for the basketball transportation policy are not of recent origin. These were used last year, and proved very satisfactory. They are again stated this year only for the purpose of refreshing in our minds the transportation procedure followed during basketball season.

With the increasingly number of highway accidents, it behooves everyone to take every possible precaution to insure safe transportation for our contestants. Contestants and drivers alike can aid materially to promote careful driving.

If any adult would like to attend the out of town games this winter and wish to take some of the players with them get in touch with Supt. James at an early date. Information concerning sources of transportation is always welcome. This year as in past years a small refund will be made which takes care of the gas used in making the trip. Transportation expenses are figured on the basis of 14 miles to the gallon of gasoline (Computations made with the price of standard gas).

CHANGES IN BASKETBALL RULES

During recent years basketball has enjoyed the favored position in respect to popularity of all the major sports at Rosalia. The spectators have always manifested a keen interest throughout the season.

Of course, it is axiomatic that if the spectators are to receive the greatest enjoyment from witnessing a game, they should be thoroughly familiar with all rules of the game. As there are several changes in both the boys and girls rules this year, those changes are being published so that all may have a complete knowledge of the rules by the time the season definitely opens. Often each year at the beginning of the season the referees are accused of not calling the game as

officials are calling the game according to the rule changes and a portion of the spectators are calling the game according to them as of past years. It is hoped that these changes will be carefully read so that when the season opens, the Rosalia basketball public will be thoroughly familiar with the official basketball rules for the season of 1935-1936. Without question this condition will promote a better enjoyment of the game.

Changes in Boys' Rules

The following statements draw attention to the changes in the Rules. Numerous changes in wording which do not affect the meaning are not mentioned here.

Rule 1, Section 5--Each free throw arc is to be extended, describing a complete circle, the new arc to be denoted by a broken line. The free throw circle is to be a restraining line when jump ball occurs at the free throw line.

Rule 5, Section 3, Note--An addition is made to this Note for the purpose of avoiding delays when substitutions are made.

Rule 7, Section 10--The definition of a dribble is revised. A fumble or attempt to gain control of the ball is not a dribble; that is after muffing, or fumbling, or tapping the ball from a group of players player may then recover the ball and start a dribble. A player is to be given a reasonable opportunity to gain control of the ball; but if, having had an opportunity to gain control, he makes an obvious attempt to advance the ball, he should be considered a dribbler.

Rule 8, Section 1--The intermission in games played in twenty-minute halves is to be fifteen minutes, but this may be reduced to ten minutes by mutual agreement.

Rule 8, Section 6--The last two sentences are new. On jump balls at the free throw line all players except the jumpers must remain outside the free throw circle until the ball is tapped.

Rule 10, Section 1, Note--On courts having an out-of-bounds margin of less than three feet, a fine broken line should be drawn in the court three feet from the boundary line. This is a restraining line for defensive players on out-of-bounds balls.

Rule 11, Section 1--The last sentence of the fourth paragraph is new, and part of the fifth paragraph (b) has been changed to provide for time-in after successful free throws from personal fouls.

Rule 13, Section 5--The first sentence of this section covers one of the important changes in the Rules. If the free throw resulting from a personal foul is successful, the ball is put into play from out-of-bounds.

Rule 14, Section 12--An important change occurs here. A player may not remain in his free throw area, with or without the ball, for more than three seconds while the ball is in play and in possession or control of his team. Obviously this is a further restriction on the "pivot-post" or "bucket" play. Much of the roughness arising from this play is due to laxity on the part of Officials. In many instances they have permitted defensive players to hold, push, or otherwise foul the pivot player, and have ignored pushing, charging, or tripping on the part of the pivot player. These difficulties can be cleared up if Officials will enforce the Rules. It is senseless to talk about "lack of uniform interpretations" in this connection: holding, pushing and charging are fouls in every game, wherever played, and should be regarded so by all Officials.

Rule 15, Section 1, Note--This has been enlarged to cover various situations that occur on jump balls.

Rule 15, Section 8--A slight addition has been made to this Section.

Rule 15, Section 14, Penalty--This important penalty has been reworded, but only two changes have been made. In (b) it is provided

that when a foul is committed against a player who is not in the act of throwing for goal, the Official may award an extra free throw for unsportsmanlike conduct. This penalty would apply in the case of an unusually rough foul. Item (e) states that Officials must disqualify a player for any flagrantly unsportsmanlike infraction of certain sections. In case of disqualification under this stipulation the extra free throw should be awarded also. The Note following this penalty makes it possible for a player to be credited with a goal even if the ball leaves his hands after the whistle blows. The statement should be studied carefully in order that its purpose may be understood. If this is done, there should be little difficulty in making a correct ruling.

Changes In Girls' Rules

Since the Kansas State High School Athletic Association does not recognize girls' basketball, the uniformity of rules for girls' basketball is found lacking. The most evident lack of uniformity is the method of putting the ball into play at the center position. The decision as to what procedure will be followed in putting the ball into play at the center position is usually settled by the two competing schools in cases where there are no definite league rules.

Butler County schools this year will use the "Center Throw" during the entire game if agreeable between the two schools. If both schools do not choose to use the "Center Throw," the "Center Toss" is used for two quarters of the game and the "Center Throw" is used for the other two quarters of the game. Definite arrangements will have to be made with each school not in Butler County.

So that the Rosalia Basketball public will be familiar with the two recognized procedures of putting the ball into play at the center, the entire section pertaining to this subject is quoted. It is:

Division C--Putting Ball In Play

Sec.1. The ball shall be put in play in the center circle:

- a. At the beginning of each quarter. (Exception; see Rule 10,A, Sec.1, p.28)
- b. After legal goal has been made, except in case of violation by Guard on Free-Throw.
- c. After the last Free-Throw following a double foul.

Sec.2. a. When the ball is put in play in the center:-

CENTER TOSS

Each Jumping Center (in 3-div. game) and each jumping Forward (in 2-div. game) shall stand with both feet in her own half of center circle (half nearest opponent's goal).

The other players may take any positions in their own sections of the court they may desire, provided they remain outside of the center circle until the center-toss play has been completed, and provided they do not interfere in any way with the referee, umpire, or centers.

No particular facing is required when jumping for a tossed ball in Center, or elsewhere, provided each player stands with both feet in her own half of circle for Center Toss, or with both feet in circle for

CENTER THROW

The Center (in 3-div. games) or the Forward playing center (in 2-div. game) who is entitled to the ball shall take her place anywhere in the center circle ready to receive the ball.

The other players must remain outside the center circle until the ball has left the Center's hand. (Penalty, Rule 12,A.) Except for this limitation the throw may be legally guarded.

b. When the REFEREE puts the ball in play in the center:-

CENTER TOSS

It shall be tossed upward in a plane at right angles to the side lines between the center players, to a height greater than either of them can jump, so that it will drop between them. Both players may jump for the ball at center and elsewhere. If neither player jumps the REFEREE shall again toss the ball and instruct both to jump. (See Rule 12, A, Sec. 1, a.) After the ball reaches its highest point, it must be tapped by either one or both of the center players. If the ball touches the floor without being tapped by one of the jumpers, the REFEREE shall again put it in play in the same place. If the ball is batted out-of-bounds by either of the players, regular out-of-bounds rules shall apply. (See Rule 6.)

Whenever the ball is tossed up by the REFEREE between two players, whether in the center or elsewhere, the ball must be tapped with one or both hands, not caught. Neither of the players jumping may catch the ball until it has touched the floor or has been played by some other player than those jumping. This does not prevent the player from tapping the ball more than once while in the circle or its equivalent.

Some Additional Girls' Basketball rules which will be observed by Butler County Schools this year are:

1. Four time-outs will be allowed each game; not more than two each half. (Violation of this rule carries the customary penalty of a free shot and a technical foul to the captain)
2. A player may reenter the game twice. (This permits a player to be put in or to start the game, be taken out, put back in, taken out, put back in..if the player is taken out again, she may not reenter the game). (This rule permits a girl to be substituted as many times as the boys' rules permits a boy to be substituted in a game)
3. The game shall be made up of four six-minute quarters...time-out to be taken for the shooting of all free shots.

CENTER THROW

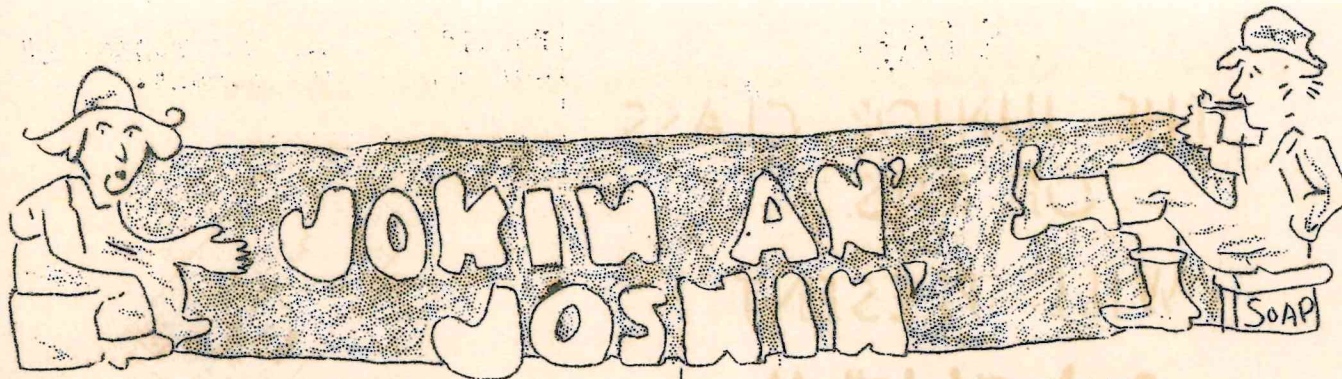

REFEREE shall hand or throw ball to the Center entitled to it. As soon as the latter has secured the ball, it shall be considered in play.

NOTE--Play is faster and more open if REFEREE throws ball in from a position halfway between sidelines and center circle, and if Side Center starts moving, even before the ball reaches the Center's hands.

NOTE--Whistle is not to be sounded on toss or center-throw except when "Time-In" is to be taken.

The Center holding the ball must start play within 3 seconds after she has received the ball and may use any sort of a throw or a bounce pass, provided she does not touch the ball again until it has been played by another player. Following REFEREE'S throw to center, two completed passes are required before a Forward may shoot for goal, unless ball is intercepted or tied by an opponent. (Penalty, Rule 11, Sec. 2, d, p.40)

The Annual Oration and Declamation Contest was held Wed. Nov. 20, at the Towanda Methodist church. Rosalia's entries in the contest were Helen Watts, who read "Penrod's Letter," which was rated fair; Clair Abraham, who gave an oration on "Who wants War," which was rated good, and Nellie Nicholas, whose selection was "The Last Leaf," which was also rated good. Towanda took first place in the contest. judged on the point basis.

Faye: "Marion ought to be a knight."

Julia: "Why so?"

Faye: "Last night when I got chilly he made me a coat of arms."

Eugene: May I have a kiss?

Genevieve: Piggley Wiggley.

Marian: If your mother gave you a large apple and a small one and told you to divide with your brother, which apple would you give him?

Buddy: D'ye mean my big brother or my little one?

Leonard: Now I present you with a pet monkey.

Esther: Oh this is so sudden! I'll have to ask father.

What would I get? Inquired Mr. Whitson who had just insured his property against fire, "If this building should burn down tonight?"

The insurance agent replied, "About ten years."

Miss Johnston: But Mary why on earth did you stop playing just as we got to the chorus?

Mary: Well on my part it said to refrain so I did.

Marion A.: Nellie, you have a downhearted look.

Nellie: Yes I am. I wish I were either dead or married, preferably the latter.

Tom: How come you write so slowly, feller?

Delbert: Gotta. My girl can't read very fast.

Mr. Whitson (In Government): Have you finished making up your map?

Maxine: No, I can't find my compass.

Genuine Gossip

We wonder why Harry Cannon likes to go to a picture show and pay 10¢ and then go to sleep.

Genevieve seems all a flutter, We wonder if it is because Harold Blankenship is back in this vicinity again.

It is hard to keep track of a certain young man because he doesn't drive a blue sport coupe anymore.

We heard that Julia Tharp was embarrassed last Friday night.

We wonder why Ruby Smith has a new crush almost every week.

Miss Johnston: What is the best way to get rid of a double chin?

Miss Stanley: Shake your head.

Miss J.: How often?

Miss S.: Everytime the potatoes are passed.

Jr. Gray: You should have seen Margie's face light up when I kissed her.

John Gregg: H'm, you must have touched off the powder.

Mrs. James: Your wall-papering job looks fine, dear, but what are those funny bumps?

Mr. James: Good Heavens! I forgot to take down the pictures.

Opal M. (In problems) One secret of keeping healthy is to eat plenty of onions.

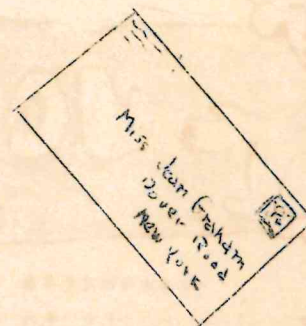

Elizabeth Y.: Yes, but how are you going to keep it a secret?

Harry C.: Only God could answer these questions.

Mr. James: God Gets an "A", and you get an "F" then.

Who ever sang a song without words?—and get by with it.
