SAMUEL EDWARD GREGG

Samuel Edward Gregg was born March 21, 1873 and died December 15, 1935 at his home in Rosalia at the age of 62 yrs., 8 mos., and 24 days. Mr. Gregg was the father of John and Dessie Gregg, Rosalia high school pupil.

Funeral services were held Tuesday afternoon at the Rosalia Christian Church at 2:00. Both high school and grade school students were dismissed for the afternoon and attended the services in a body with the faculty. The services were conducted by Rev. L. T. Faulders, Christian minister. The Byrd Funeral Home was in charge.

A mixed quartette comprised of Mesdames Edna Worl and Blanche Flesher and Messers Thelbert Cornett and Joe Berger, accompanied by Mrs. Floyd Sprecher at the piano, sang beautifully the songs, "Throw Out The Life-Line", "When The Roll Is Called Up Yonder", and "Beautiful Isle of Somewhere."

The very deepest sympathy of the student body, the faculty, and the community goes to the Gregg Family in this time of sorrow. The School and the Community mourn with them.

A LETTER OF APPRECIATION

(for the flowers sent by the Rosalia students, faculty, and school board at the funeral services of Mr. O. C. Crookham's mother.)

GRATEFULLY ACKNOWLEDGING AND THANKING
YOU FOR YOUR KIND EXPRESSION OF SYMPATHY.

HIGH SCHOOL OPERETTA HIGHLY SUCCESSFUL

The high school operetta, "Jerry of Jericho Road", was presented before a large and appreciative audience at the Rosalia School Auditorium, Tuesday evening, December 17th. The operetta cast and Miss Johnston, director of the operetta, should be highly complimented upon its very successful presentation. The consensus of public opinion was that it was one of the very best operettas ever presented at Rosalia.

The readings given by Wanda Helms and Marjorie Bell, grade students, between the acts of the operetta were well received.

ROSALIA GIRLS LOSE TO REECE

On December 4th, the Rosalia Girls basketball team made a trip to Reece. The game was a close one and exciting, showing some good basketball on the part of both teams. The starting line up was Brickley, Watts, and Pike at forward; Sprecker, Hall, and Nicholas playing in the guard positions. In the second quarter, Maxine Perry took Helen Pike's place at forward, shifting Pike to guard position and Nicholas out.

The Rosalia girls started out with a lot of spirit, playing a fast and accurate game ending the first quarter with a score of 5 to 4 in favor of the Rosalia team. The second quarter was played with equal speed with Rosalia weakening a little so at the half the score stood at 10 to 11 in favor of Reece. Rosalia lost ground in the third quarter and continued to lose ground until the game ended with a score of 35 to 24 for Reece.

Rosalia girls played a good brand of ball with the shots in the main being accurate and the passes smooth. There is no doubt but that future scores will stand differently.

WHITEWATER DEFEATS ROSALIA GIRLS

The Rosalia girls were unfortunate in losing their first league game of the season which was played with Whitewater Dec. 13. The game started with Whitewater taking the lead in playing fast basketball. At the end of the first quarter, the Rosalia girls were trailing by a score of 21 to 7. They, however, didn't lose heart and were able to hold Whitewater down in the second quarter to a score of 31 to Rosalia's 11. Coming back at the beginning of the last half with a lot of fight, Rosalia added nine points to the score to Whitewater's seven leaving the score at the end of the third quarter at 38 to 20. The fourth quarter found Rosalia increasing their score by eight to Whitewater's six which finished the game with a score of 44 to 28 for Whitewater. Brickley, Perry, and Pike started the game at forward positions with Sprecker, Hall, and Nicholas at guards. During the first quarter Mary Watts was substituted for Nicholas, shifting Pike to guard position. The game was played with both the jump and the toss in at center, alternating by quarters. The only handicap Rosalia felt was in weight and height and they were not able to overcome it. There was some nice basketball displayed during the game.

ROSALIA BOYS WIN FROM POTWIN

The Rosalia Boys Basketball team made its first appearance in North Butler County League last Fr

ay night when they gave Potwin a rimming by a score of 31 to 14. The first quarter was very close which ended 5 to 3 for Rosalia. In the second quarter Rosalia boys bound the basket and then they were never in danger. The only threat that Potwin made was in the third quarter when they scored a total of eight points. During the fourth quarter the Rosalia boys held the Potwin team to one free shot, while Rosalia scored a total of eight points. During the game some very flashy basketball was played. The Rosalia boys worked the ball in for some very close shots by their smooth passing. It has been predicted that if the Rosalia team continues the type of play they displayed last Friday night that it will take a lot to beat them.

The Rosalia second team played its first game last Friday night at Potwin, but they didn't have as good luck hitting the basket as the Potwin boys; therefore, they were beaten 26 to 12. The second team is made up of some young boys who lack experience but are developing very rapidly and will make a good team before the season is very old.

ROSALIA DEFEATS TOWANDA

After returning from Potwin with a victory Friday night, Dec. 6, The Rosalia Boys Basketball team worked very hard Monday evening on some of their weak spots and then Friday evening, Dec. 10, they proved that they could really play good basketball and defeated Towanda 29 to 27. This makes two victories

and no losses in the North Butler County League.

The Rosalia team took an early lead in the first quarter which ended 9 to 3. In the second quarter the Rosalia pulled farther out in the lead and at the half time Rosalia was leading 20 to 11. In the second half the Towanda boys came back with a determination to win and in the third quarter they closed the margin which Rosalia had to five points. The third quarter ended 24 to 19. At the beginning of the fourth quarter Towanda scored points enough to bring their total to 27 points. With only three minutes left to play the Rosalia boys took their turn to making baskets and brought their total to 29 points and were able to keep the ball until the final bell sounded.

McKown was high score for the Rosalia team by scoring 15 points. McClure was high score for Towanda with 11 points. Marquardt and Baker worked very nicely on the offense and also on the defense. McGregor and Abraham played excellent ball the entire game. With the brand of ball played against Towanda proves that Rosalia will make a strong bid for the North Butler County championship.

In the preliminary game the Rosalia second team lost to Towanda second team by a score of 20 to 13

ROSALIA TAKES GAME FROM WHITEWATER

Coach Whitson's basketball quintette displayed some brilliant basketball in their game with White water last Friday night, to bring home another victory, by a count of 25 to 24. The defeat of White-water gave the Rosalia boys their third straight win in the North Butler County League.

Rosalia was out in the lead at the end of the first quarter which ended 9 to 7. This lead was lost in the second period with the

score at the half time 14 to 15. In the third quarter the Whitewater team pulled farther ahead and it looked as if the Rosalia five were going down in defeat for the third period ended 19 to 22. In the fourth period, Whitewater started off with a field goal which gave them a five point lead. With the quarter about half over the Rosalia team started their last hard drive which gave them a one point margin. McGregor started the scoring with a beautiful basket from far out on the floor and then McKown followed with two baskets to give Rosalia one point advantage which they maintained the remainder of the game.

In the preliminary game the Rosalia second team were defeated by the Whitewater second team, in a very poorly played game by a score of 21 to 5. Gray and Hague were the two strongest men on the Rosalia team while Ryan was the main man for Whitewater.

BASKETBALL DOPE

With the basketball season well under way it is time to draw some conclusions as to how the teams of the North Butler County League

stand. There are six teams in this league and each of these teams has played three games up to date and the standings are as follows:

	Won	Lost	Percentage
ROSALIA	3	0	1000
Midian	3	0	1000
Towanda	2	1	.667
Whitewater	1	2	.334
Cassody	0	3	.000
Potwin	0	3	.000

The most of these teams are rather evenly matched and it is anybody's race for the league championship. Midian and Towanda have met only one strong team up to date. The Rosalia boys have met two strong teams in Towanda and Whitewater. The next strong test in the league will come when Rosalia and Midian clash on Thursday night, Dec. 19. This game will drop one of the teams out of the first place position.

In the South Butler County League we find Leon as the outstanding team. Leon defeated Andover 12 points on Andover's floor. Rose Hill handed Douglass a drubbing by 20 points. Latham gave Rose Hill a defeat last Friday night. Benton beat Whitewater in a non-league practice game by one point. Information regarding Benton league games has not been obtained up to date.

Leon girls defeated Andover girls on Andover's court. Whitewater is undefeated in the league by defeating both Rosalia and Cassody. There are only three girls teams in the North Butler County League.
