Upper Grade News

It hardly seems possible that we have only five weeks of school remaining in this school term. There is a great deal of work to be completed for all grades. The eighth grade class has been very busy preparing themselves for the day of their final examinations which is scheduled for the 11th of May. This will be a "big day" for them while the students of the sixth and seventh grades will enjoy a one-day vacation.

The upper grade room received a rating of "good" on their numbers presented at the Music Festival which was held at Leon, Friday 15. Mary Low Gilliland and Bonnie Brittain were the vocal soloists and received ratings of superior. The music was under the direction of Mrs. Carrothers.

The boys and girls of this room enjoyed an Easter egg hunt in spite of the blustery weather on Thursday afternoon. The remainder of the time was spent in having a "spelling Bee" and a volley ball game. Refreshments consisted of pop and ice cream. Prizes for the outstanding egg decorations were awarded to Sylvia Bates, Martha Lucas, and Jeannine Pletcher.

The eighth grade won the spelling contest this week by having a score of 99%. Only one word was missed. This is the first time they were able to "carry off" the prizes for quite sometime.

The Rosalia Grades participated in a track and field meet at Oil Hill last Wednesday at Oil Hill preparatory to the County Meet which will be held at El Dorado, April 29th. As a whole the students did very well and we're hoping for "a good day" at the coming meet.

Middle Room

Quite a number of our pupils have been absent the past two weeks with the measles, but are all back but Gene Strange and we're hoping he'll be back very soon.

The room is quite proud of Harold Juby and Charlene Johnson who rated 2nd and 1st in their solos in the Butler County grade Music Contest.

We are making boys and girls in Art for May. They will be carrying May baskets and flowers for Mother's Day.

The Class had an Easter Party Saturday morning. Raymond and David won the Easter egg hunt. The class played volley ball and baseball after the egg hunt.

Primary Room

Report Cards for the fifth six weeks were given out Wednesday. On account of the measles epidemic only one Louise McAdoo, was neither absent nor tardy during this period. Nearly everyone has recovered and is now back in school.

The first and second graders received a highly superior rating at the music contest which was held in Leon Friday. The children sang two songs, "Fiddle-dee-dee" and "Easter."

When the pupils returned from seeing how long it would take them to walk around the school building Friday afternoon, each one found an Easter basket filled with candy eggs on his desk.

Miss Dederick visited school Thursday April 7. She asked each of the first graders to choose a selection and read it to her.

The third grade students have completed the work in their reader and workbook and are now studying the "Bobbs Merrill Third Reader." This week they are reading "Hansel and Gretel" which they enjoy particularly as Miss Jones has taught them a number of songs from the opera, "Hansel and Gretel", by Humperdinck.

The first graders are finishing the "Clothing in the Home Unit" in Social Studies. They made picture charts showing the type of clothing which should be worn in summer, winter, rainy weather, for work, for play, and so forth. They also wrote sentences and short stories about the importance of caring for their clothing. Too, they have a new set of paper dolls which they have enjoyed during this unit.

Upper Room

This room has an arithmetic game they enjoy playing. It is called "Imma Whizz" and is similar to "Bingo". Each card has twelve problems written on it and the number called is the answer to a problem. The object of the game is to see who can get the answers to all problems first.

Wednesday was a vacation for the pupils of this room except for the Eighth Graders, who took their diploma examinations.

The upper room is going to have a special visitation week from April 22 to 26. The pupils have chosen sides for a contest to see which side can get the most parents or adults to visit. There will be no special program but just the regular school classes. Everyone is welcome.
