Mustangs Supporting Mustangs

Strong

Mustang Strong 2026 was an incredible night!

Thanks to the generosity and heart of the Flinthills community, \$15,955 was raised to benefit LeNell Noel and Gina Brown Lowe and family. That's real impact, real help, and real hope made possible by people who care deeply about one another.

A huge thank-you to everyone who played a part:

- Our silent auction donors and bidders; see page 6 for a list of auction item donors
- All those who donated in any way
- Everyone who showed up and supported Mustang Strong in any way

This event is a reminder that the Mustang Community, working together, can lift people up and make a meaningful difference where it matters most.

🐎❤️ Mustang Strong. Mustang Proud. ❤️🐎

From the Desk of *Superintendent Michael Hunter*

Every school district has a unique mission and vision that should guide how a school and community partner together for student success. Every vision should be the “why”—the purpose that guides your school’s decisions. Our shared vision—to be the school community that prepares individuals for successful lifelong achievement—is more than words on paper; it is something we strive to live out each day. On January 30, that vision was powerfully on display during our home high school basketball game, when our community came together in a meaningful and unforgettable way.

That evening was our annual **Mustang Strong Night**, a special tradition that unites the Flinthills community in support of fellow Mustangs. Through the generosity of donated silent auction items and a 50/50 raffle, we were able to raise funds for two remarkable individuals in our community, Gina Brown and LeNell Noel, who are currently facing health challenges. It is always amazing to witness the compassion and togetherness shown that night. Evenings like this truly reflect the heart of Flinthills. Adding to the emotion of the evening, our elementary students sang the national anthem—an experience that quite literally brought tears to my eyes. My sincere thanks to the teachers, parents, and Mrs. Garcia for organizing such a beautiful moment.

We were also proud to recognize and show appreciation for our School Board members—Justin Grunder, Melissa Scribner, Ireland Turner, James Heimgartner, Joe Leibbrandt, and Travis Holcomb—whose support and guidance are essential to the success of our district. A special thank you to Mr. Travis Holcomb for not only announcing the game but also serving as our MC throughout the night, and to Pastor Davis Laughlin for sharing a thoughtful prayer to open the evening. Mustang Strong Night was a powerful reminder of what makes Flinthills USD special: a community that partners together, cares deeply, and supports one another.

Flinthills Board Meeting Dates

February 11, 2026, at Rosalia

March 18, 2026, at Cassoday

April 8, 2026, at Rosalia

May 13, 2026, at Rosalia

June 10, 2026, at Cassoday

Principally Speaking....

The new year has been a busy one so far at Flinthills with basketball games, wrestling, the Thespian Festival, the Spelling Bee, Scholars Bowl and more. Students of the Month for January were Middle School student Bellah Hickman and High School student Garrett Jackson, but so many students stood out for their hard work and positive attitudes.

A group of high school students representing our basketball teams and National Honors Society met to help out members of the Scrapbooking Fundraiser at the Oil Hill Museum (see pictures below). This event helps raise money for the Butler Leadership Scholarship and Agriculture in Schools. Scrapbookers also tipped students for their assistance, which raised money for their activities. Our students are always happy to help out in the community!

One of my favorite quotes has always been the following: "I don't like work--no man does--but I like what is in the work--the chance to find yourself." Joseph Conrad wrote this in the late 1800s, but it still holds true today. Though it is human nature for students to sometimes avoid work, I am happy to say that many of our students have already discovered the value of hard work and the meaning we can find in helping others.

Watching students do their best in athletics, the arts, academics, and in serving the community this month has truly made me Mustang Proud. Also, seeing all of the donations roll in for the Mustang Strong fundraiser from all over the community only reinforces my belief that we can all create more meaningful lives when we work together.

-Dr. Amanda Evans, MS/HS Principal

On Thursday, January 29th the intermediate students traveled to Cassoday to celebrate Kansas Day. Students grades Pre-K- 5th enjoyed activities such as BINGO, making butter, listening to stories, and playing together! -Mrs. Dragoo

COUNSELOR'S CORNER

February 2026

m.hansen@usd492.org

From Ms. Hansen

Juniors will be taking the ACT on February 24, 2026. We will have students taking the test on campus and some of us will be at the community building testing. Our testing session will begin at 8:15 am and we should be completed by lunch time.

Juniors will receive information soon about how to set up an account with myACT. This account will help the students see their scores and have access to their scores throughout the rest of their high school career.

Butler Community College

Butler Community College will be here on February 4, 2026 at 6 pm. A representative will discuss the options that high school students (10th - 12th grade) have through Butler while in high school.

We will be enrolling in classes at Butler in March for the fall 2026 semester! If you have any questions regarding college classes, please email me.

Happy
Valentine's
Day

Word of the Month KINDNESS

"Is acting with understanding, generosity and care."

(Character Strong, 2026)

Intermediate News

Word of the Month: **KINDNESS**

- How can we remember to be kind daily?
- How would more kindness impact your day and other peoples day?
- What are some ways you have seen kindness this year at home, school and in your community?
- How have you seen others show kindness this week?
- How has someone shown you kindness recently? How did it make you feel?

Flinthills High School
Agricultural Education

NEWSLETTER

●UPCOMING●

February is an exciting month for our Agricultural Education program as we celebrate National FFA Week! National FFA Week is held each year around George Washington's birthday to recognize the important role agricultural education and FFA play in developing leadership, personal growth, and career success for students.

Our Flinthills FFA members and agriculture students have lots of fun and engaging activities planned to celebrate FFA Week. We are excited to share our passion for agriculture with our school and community, so be on the lookout for more information coming soon about specific events and ways to get involved.

We are incredibly grateful for the continued support from our school, families, and community partners. Your encouragement and involvement allow our program to grow and provide meaningful, real-world experiences for students. We are looking forward to a great month and cannot wait to celebrate National FFA Week together!

HIGHLIGHTS IN REVIEW

- Animal Science students competed in the Breakout Invitational Meats Contest held in Fort Scott on January 28th! It was a great summative for our animal products and processing unit.
- FFA Officers hosted an Ag Safety Kahoot event for all high school students during Seminar on January 30th!
- All ag students participated in Ag Career Workshops hosted by KDA Interns on January 30th!
- It has been a great learning experience going through each step of the AI process for the cows.

Art Exhibit

Flinthills art students are participating in the 32nd Coutts Student Art Exhibit. We have participated in every show that has been held! It would be interesting to see how many Flinthills alumni remember showing their artwork at the Coutts! This year the exhibitors include students in the Intermediate school as well as some of last semester's "Intro to Drawing & Design" 8th grade art class. The opening receptions will be held February 7 & February 14 from noon - 3:00 (there will be cookies!). The show will run through March to be replaced by the high school art exhibit. The museum's hours are Tuesday-Friday 10am-5pm and Saturday 12-4pm. You can contact Michal Austin, Art Instructor for more information.

Employee of the Month

January

Cheryl Alvarez was selected as the Employee of the Month for January. Cheryl has worked for the Flinthills in many capacities for almost 20 years! Most students will recognize Cheryl from her work in the kitchen, but she is also a SPED Driver and an Administrative Assistant. In the past she was a bus driver and stepped up to fill many other roles. Asked what she enjoys most about her job, Cheryl said "I really enjoy being around my grandkids and the other kiddos, as well. My co-workers are my life-long friends and make coming into work enjoyable, too. Helping with the kids in any way possible and making a difference in their lives is very fulfilling." Congratulations Cheryl!!

HIGH SCHOOL STUDENT OF THE MONTH

Nurse's Health Zone

By: Rhonda Craven RN

When winter finally got here, it really came in with a bang. So far, the students have been fairly healthy, mainly just the sniffles.

Just a reminder to the 4th, 5th and 6th grade parents. On the 18th of February, I will be giving the health talk to the 4th and 5th grade girls and Mr. Jackson will be giving the health talk to the 5th and 6th grade boys. You should already have the letter giving us permission to show the film and discuss this topic. As the letter states you can also watch the films on You Tube. If you do not want your student to participate, just let me know.

**Stay healthy and be happy,
*Rhonda Craven RN***

This institution is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Language access requests and reasonable accommodations for persons with disabilities, including alternative means of communication (e.g., Braille, large print, and American Sign Language), may be requested by contacting the event contact, Madeline Wallace, four weeks prior to the start of the event (February 1, 2026) at 316-321-9660 or mgwallac@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.

Kansas State University is an equal opportunity provider and employer.

Cassoday Boosters

4-H Club

The Cassoday Boosters are a fun and active 4-H Club where members learn, serve, and grow together! Each year, we take part in meaningful community service projects like Operation Christmas Child, Christmas Caroling, and creating Care Packages for Service Members. We also enjoy exciting field trips, fun club outings, and hands-on project meetings in a variety of interest areas. Our club proudly supports members with event and membership scholarships to help everyone take part in all that 4-H has to offer. There's something for everyone in the Cassoday Boosters — come join the fun! The next meeting will be Sunday, February 15 at the Butler Community College Ag Center.
